OUR VISION AND MISSION STATEMENTS

• Our Vision

To become a leading flooring services provider by offering premium quality, customized solutions to residential and commercial customers.

• Our Mission

We are dedicated to offer quality flooring services using premium quality materials with the highest standard of work. We create long-term bond with our customers and offer tailored solutions to meet their needs.

GENERAL PROJECT INFORMATION

1. WORK SCHEDULE, PLANS, AND WORKING HOURS:

We will make schedule with a Point of Contract (PO) and provide advance notice to the occupied personnel within 7 working days and 24 hours prior to start flooring installation. Work will be scheduled Monday through Thursday. We are also very flexible working in the weekend and after hour whenever necessary with the consultation with Point of Contract.

2. SITE CLEAN-UP:

We will clean up working area each day after work. At the end of the job will make whole working area thoroughly clean and useable. We dispose old/used product and other waste materials as per proper rules and regulation from the Federal, State or City government.

3. SAFETY RULES AND GUIDELINES

Our work would be minimum disturbance to the occupied areas and self-guided notice and signs for their safety. We will provide maximum safety and security of the work area. We are committed to repair any unwanted damage happen during installation process.

We maintain OSHA rules and regulations to ensure that our employees are protected from possible hazards during the installation. King Freight LLC. is following an eco-friendly approach under CRI (Carpet and Rug Institute) and MSD (Material Safety Data) guidelines.

4. BUSINESS LIABILITY INSURANCE:

The business of King Freight LLC is secured with \$ 1000,000 general liability insurance, \$ 2000,000 general aggregate insurance, \$ 250,000 contingent cargo insurance and Workers' Compensation Insurance of \$ 100,000-500,000. Commercial Auto Insurance\$ 1000,000.

5. SAMPLES:

Prior to supply any product and install we will provide real sample to match existing flooring environment or if there have been sample identified.

CAPABILITY STATEMENT - KING FREIGHT LLC

Our flooring products will be originally from the manufacturer with original packaging. No Grey market or aftermarket product will be delivered or installed.

6. KEY PERSONNEL AND PROJECT MANAGEMENT:

We will provide an experienced project manager for each of the flooring project, who will be responsible to maintain good cooperation with the POC as well as managing crews for timely and quality completion of the project. The complete process will be overseen by the founder/director, Mr. Rafik King.

7. WARRANTY:

All flooring products are with manufacturer warranty for 10-15 years period subject to the product type and the manufacturer. Our flooring installation service is offered with 1 (one) year warranty from the installation date. We will fix any installation related unwanted defect without any additional cost.
